

C'ERA UNA VOLTA...

PURE AS ART

AUTUMN/WINTER 2025

Made with Love. Made with Care. Made to Last.

PURE AS ART

Purity. Not exactly what one will describe about Barcelona, a city filled with stunning architecture, decorated in the Art Nouveau style. Yet, once the eye is informed, one sees purity in all the intricate lines, ornamental details, and organic forms. When I visited this magnificent city, purity is elevated into art, everywhere.

Gently weaved into this season, is a purity familiar yet untainted; a purity in youth and form. Yet, ever infused with a contemporary touch.

This season, we created two exclusive corduroy prints in nature-saturated shades of Bleu Minuit or Vert Sapin, capturing the fluid elegance of Art Nouveau. These prints, along with luxurious velvet and cotton twill dresses, are elevated by delicate embroidery inspired by Art Nouveau-era patterns. Discover rich textures and tonal depths that underline the collection's exquisite charm, as we ready the children for yet another captivating Autumn Winter season

The true belles of the ball are the tulle and occasion dresses, each adorned with refined details that embody the elaborate grace of Art Nouveau. Each dress is meticulously crafted: every stitch, every pleat, every embellishment adding to a pristine sense of wonder and opulence.

The AW25 collection is a modern-day celebration of the unmatched purity in the Art Nouveau history and beauty. A celebration matched only by the detailed craftsmanship behind each treasured piece, made with love, made with care, and made to last; like a piece of art.

Purity, just like once upon a time, *c'era una volta*.
